

Flying through Life with Positive Results

Don't miss this exclusive safety briefing. Frank Sherman, a FAASTeam Representative, will look at factors and attitudes that can lead to unsafe behavior. Learn how to self evaluate your attitude and review Actions that you can take to be honest and aware of your current skill sets. Are you prepared to fly in the conditions that exist? Are you current with the current wind conditions? Should you take an instructor or fellow pilot along to be safe? Attend this informative briefing and get the professional tips from an instructor with a long safe history of flying safely. Click on the link below and register TODAY!

Directions: From the North: Take Rt. 295 South to Exit 9A to Rt 146 South. Turn on Rt 116 South. Merge to W. Greenville Rd. Left on Albion Rd. From the South: Take Rt 295 North and follow directions from above. For easy free parking please use the old main terminal building lot.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!
